Housing during the Summer Program in Portuguese is provided through the Conference and Special Events Office. Students may opt to reside on-campus in air-conditioned apartment-style suites. Each suite has four individual bedrooms, two bathrooms, and a common living area including a kitchen equipped with an oven, refrigerator, and dishwasher. Students will need to provide their own utensils, plates, cups, etc. Additionally, students have access to a laundry room (washers and dryers) though students are responsible for providing their own detergent, fabric softener, etc. Please note that students must be 18 years of age or older to reside on campus. Interested students must submit the attached form to Melissa Costa (full contact information listed on form) along with payment by Friday, 7 June 2013.

Cost
The cost of residing on-campus is $920.00 for 33 days (the exact duration of the program). Each additional day is $25 should you need to arrive a day early or stay on an additional day. The fee includes a campus id card (UMass Pass), linen package (sheets, pillow, blanket, and towels), and internet access.

Payments may be made by check or money order. Please make the check payable to the University of Massachusetts Dartmouth.

Security Deposit
Students are required to send a separate check (also made out to the University of Massachusetts Dartmouth) in the amount of $45.00. This amount will serve as a security deposit for the key that you will receive upon arriving on-campus. The check will be returned to you on the day of your departure once your room key is returned.

Meals
Students interested in eating on-campus will need to put funds on their UMass Pass (most easily done on-campus with a credit card or debit card). The cost for three meals per day at the Market Place (residence dining hall) is $26.74. Meals are charged individually so students may opt to only dine occasionally. Also, students can put money on their UMass Pass in increments during the course of the program. Meals will not be available to purchase on campus during weekends.

What to Expect
The attached form and payment are due on Friday, 7 June 2013. Within a week, you will receive an email indicating the name of the Conference Office Liaison for the program and a campus map with instructions on how to get to the Resident Hall. The Conference Office Liaison will be meeting you at the Resident Hall on the day and time of your arrival (as indicated on the form you submit) and will provide your room key, a temporary UMass Pass for entrance into your building, and your linen package. You will need to go to UMass Pass Office during their operating hours to return the temporary pass and pick up your valid Student ID for continued access to your Resident Hall.
